HIS EXCELLENCY
CHURCHILL EWUMBUE-MONONO
DIPLOMAT AND VISIONARY LEADER

**H.E. Churchill Ewumbue-Monono –
A Man of Impact, A Great Unifier**

A production of BLACK AFRICA GROUP

We wish to express our deep appreciation for the outstanding work carried out daily in Ethiopia by His Excellency Churchill Ewumbue Monono, Ambassador of Cameroon.

Despite the challenges inherent in his mission, Cameroon continues to hold a respectable and dignified position, thanks to a responsible, consistent, and proactive diplomatic engagement.

Even in difficult circumstances, the benefits enjoyed by Cameroonian nationals are real and evident. I have personally witnessed several nationalities being turned back at the airport, while the Cameroonian passport continues to benefit from visa on arrival, a clear indication of the credibility, trust, and positive image our country enjoys.

These achievements are not accidental. They are the result of tireless effort, commitment, and sacrifice sometimes at the expense of the health and well-being of our diplomatic representatives. It is therefore our collective responsibility to protect the image of Cameroon, promote the work of our Ambassador, and uphold the standards that have been established.

Credibility is a valuable asset that must be preserved.

We must avoid any actions, behaviors, or words that could damage our reputation or undermine the image of our nation. Respecting the work accomplished so far is essential, as a country's image is a shared heritage that reflects the conduct of its citizens.

May God preserve and guide us, and grant us the wisdom to avoid any missteps that could tarnish our individual reputations and that of Cameroon as a whole.

Let us continue to promote diplomatic excellence, honor our country, and strengthen Cameroon's standing among respected nations.
