Subject: Expression of Appreciation for Your Distinguished Participation

Your Excellency,

On behalf of UNESCO, I have the honour to convey our sincere appreciation for your distinguished participation and valuable contributions to the training on freedom of expression for law enforcement, convened from 16 to 18 March 2026 in Addis Ababa.

Your esteemed presence and insightful interventions significantly elevated the quality of the deliberations and reaffirmed the vital importance of sustained international engagement in promoting freedom of expression, the safety of journalists, and respect for the rule of law. Your contributions sent a clear and compelling message on the essential role of law enforcement institutions in upholding fundamental freedoms and fostering an enabling environment for independent media.

We are particularly grateful for your continued commitment to strengthening dialogue and cooperation among national and international stakeholders in support of these shared priorities.

UNESCO stands ready to further deepen its collaboration with your respective Embassy in advancing capacity-building efforts and policy dialogue in this critical domain.

Please accept, Excellency, the assurances of my highest consideration.

Yours sincerely,

Dr. Rita Bissoonauth
Director of UNESCO Addis Ababa
Liaison Office to AU, UNECA and
Representative to Ethiopia
